2.	Confirmation of Signature of shareholder by the Banker	ISR-2
3.	Declaration for Nomination opt-out	ISR-3
3.	Registration of Nomination	SH-13
4.	Cancellation or Variation of Nomination	SH-14
5.	Declaration to opt out of Nomination	ISR-13

The forms can be downloaded from the following web link at www.mercurymetals.in

Members holding shares in physical mode are requested to send the duly filled forms i.e., Form ISR-1, Form ISR-2, Form SH-13 or Form ISR-3 and along with requisite documents as mentioned in the respective forms to the address of Accurate Securities and Registry Private Limited (RTA).

Compulsory linking of PAN and Aadhaar:

Members are requested to note that in line with SEBI Circular dated March 16, 2023 read with SEBI Circular dated November 3, 2021 and December 14, 2021, RTA will accept only operative PAN (those linked with Aadhar) with effect from June 30, 2023 or such other date as may be notified by Central Board of Direct Taxes (CBDT). Those folios in which PAN is not linked with Aadhar subsequent to the due date, shall be frozen by the RTA.

Freezing of Folios:

- Further, in line with this Circular, RTAs are required to freeze folios wherein PAN, KYC and nomination is not available on or after October 01, 2023. Any service request in respect of these frozen folios will be undertaken only after the complete details are lodged with the RTA.
- Members may note that with effect from April 01, 2024, the Company will not be able to execute any type of Corporate Action, in respect of frozen folios until the complete details as required including bank account details are furnished to the RTA. Further, from December 31, 2025 or such due date as may be notified by the Authority, the RTA is required to refer the details of the frozen folios to the Administering Authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002.

In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, members are advised to dematerialize the shares held by them in physical form. However, members can continue to hold the shares in physical form.

SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to

dematerialize the shares held by them in physical form. Members can contact the Company or Company's Registrar and Share Transfer Agent, M/s. Accurate Security and Registry Private Limited for assistance in this regard.

Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests, viz. Issue of duplicate securities certificate; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Further SEBI vide its circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/65 dated May 18, 2022 has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4 & ISR-5, as the case may be. The said form can be downloaded from the website of the Company at www.mercurymetals.in and RTA at www accuratesecurities.com

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

As per the provisions of Section 72 of the Act, the facility for making Nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their Nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier Nomination and record a fresh Nomination, he / she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to M/s. Accurate Security and Registry Private Limited in case the shares are held in physical form.

SEBI has mandated the submission of PAN by every participant of the securities market. Members holding shares in dematerialized form are, therefore, requested to submit their PAN to their DPs with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company and/or RTA i.e. Accurate Security and Registry Private Limited.

15. Members holding shares in dematerialized form and desirous to change or correct the bank account details should send the same immediately to the concerned Depository Participant. Members are also requested to give MICR Code and IFSC to the Depository Participant.
16. The RTA/ Company shall verify and process the service requests and thereafter issue a "Letter of Confirmation" to the shareholders in lieu of the physical share certificates. The

“Letter of Confirmation” shall be valid for 120 days from the date of its issuance within which shareholders of the Company shall make a request to the Depository Participant for dematerializing the said shares. In case the shareholder fails to submit the demat request within the aforesaid period, RTA / Company shall credit the securities to Suspense Escrow Demat Account of the Company.

17. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act and the relevant documents referred to in the notice and the Explanatory Statement will be available, electronically, for inspection by the members during the AGM. All documents referred to in the notice will also be available for inspection from the date of circulation of this notice up to the date of AGM. Members seeking to inspect such documents can send an e-mail to ‘www.mercurymetals.in’.
18. In all correspondence with the Company, for speedy communication, members are requested to quote their folio no. and in case their shares are held in dematerialized form, they must quote their DP ID and Client ID Number. Members are also requested to mention Contact No. & e-mail ID for faster communication.
19. To support the “Green Initiative” and for receiving all communication (including notice and Annual Report) from the Company electronically:
 - (a) Members holding shares in physical mode and who have not registered / updated their email addresses with the Company / RTA are requested to register / update the same by writing to the Company / RTA or by mailing the scanned copy of a signed request letter with details of Folio Number, complete address, email address to be registered and attaching a self-attested copy of the PAN Card at ‘info@mercurymetals.in’ or to the Company’s RTA at investor@accuratesecurities.com.
 - (b) Members holding shares in dematerialized mode are requested to register/ update their email addresses with the relevant Depositories.
20. Since the AGM will be held through VC / OAVM Facility, the Route Map is not annexed in this notice.
21. Instructions for Remote E-Voting and Electronic Voting System :

Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, as amended from time to time and MCA Circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022, December 28, 2022 and all other relevant Circulars issued by the Ministry of Corporate Affairs from time to time, the Company is providing the facility of ‘remote e-voting’ (e-voting from a place other than the venue of AGM), to its Members in respect of the business to be transacted at the AGM to exercise their right to vote at the 37th Annual General Meeting (AGM). For this purpose, Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorised e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

The Company has appointed M/s. ITEM NO.4:

TO ISSUE EQUITY SHARES ON PREFERENTIAL BASIS:

The Board of Directors in their meeting held on Tuesday, 05th September, 2023 subject to necessary approval(s), has approved the proposal for raising of funds by issue and allot upto 86,80,000 (Eighty Six Lacs Eighty Thousands) fully paid-up equity shares of the Company at a price of Rs. 33/- per equity share to Promoter Group and Non-Promoter Group on preferential basis to repayment of outstanding unsecured loan, working capital and general corporate purposes.

This proposal is subject to the approval of the shareholders through a special resolution and in accordance with the requirements contained in the SEBI (ICDR) Regulations 2018, the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011 (as amended), and other applicable provisions, if any and Sections 42 and 62(1)(c) of the Companies Act, 2013, Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 13 of the Companies (Share Capital and Debentures) Rules, 2014 and other applicable legislations.

The information as required under SEBI (ICDR) Regulations and the provisions of the Companies Act, 2013 read with Rule 13(2) of the Companies (Share Capital and Debentures) Rules, 2014 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 are given below:

1. Objects of the Preferential Issue:

The Company will use proceeds of proposed Preferential Issue of Equity Shares to further strengthen the Company's capital base, repayment of outstanding unsecured loan, to meet working capital requirements and general corporate purposes.

2. Maximum number of specified securities to be issued including date of Board Resolution:

The board in its meeting held on Tuesday, 05th September, 2023 has given their consent and passed a resolution, subject the approval of shareholders, to offer, issue and allot upto 86,80,000 (Eighty Six Lacs Eighty Thousands) fully paid-up Equity Shares of face value of Re.1/- (Rupee One Only) ("Equity Share") at a price of Rs.33/- per equity share as

determined in accordance with the Regulation 164 of Chapter V of the SEBI (ICDR) Regulation, 2018 ("Equity Share Issue Price") on preferential basis in accordance with SEBI (ICDR) Regulations, 2018 and other applicable laws.

3. Pricing of preferential issue:

The pricing of the equity shares to be allotted on preferential basis shall not be lower than the price determined in accordance with the Chapter V of SEBI (ICDR) Regulations 2018 and applicable law. The equity shares of the Company have been listed on BSE for a period of 90 trading days or more as on the relevant date i.e. Thursday, August 31, 2023. As the Equity shares of the Company are frequently traded at BSE, the price of Equity shares has been calculated in terms of Regulation 164(1) of SEBI (ICDR) Regulations. Hence, the issue of equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following::

- i. the 90 trading days volume weighted average price (VWAP) of the equity shares quoted on the recognized stock exchange (BSE) preceding the relevant date is Rs.25.79/- (Rupees Twenty Five and Seventy Nine Paise Only) per equity share; or
- ii. 10 trading days volume weighted average price (VWAP) of the equity shares quoted on the recognized stock exchange (BSE) preceding the relevant date is Rs.32.96/- (Rupees Thirty Two and Ninety Six only) per equity share.

The Board has fixed the price of Rs. 33/- (Rupees Thirty-three) per equity share for proposed preferential issue.

Further the company is not required to calculate pricing under Regulation 166A of SEBI (ICDR) Regulations, 2018 as there is no change in control nor allotment of more than five per cent of the post issue fully diluted share capital of the issuer, to an allottee or to allottees acting in concert in the proposed preferential issue of the company.

We also confirm that the Articles of Association do not contain any restrictive provision for Preferential Allotment and doesn't contain any article which provides for particular method for determination of price in case of preferential issue.

Report of independent registered valuer:

The Company has obtained the Valuation Report from Independent Valuer i.e. RV, Barkha Deshmukh, IBBI Registered Valuer for price to be determined in accordance with the Chapter V of SEBI (ICDR) Regulations 2018 as on Relevant date i.e. Thursday, August 31, 2023. ITEM NO.5**APPROVAL OF MATERIAL RELATED PARTY TRANSACTION**

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, mandates approval of shareholders of a listed entity by means of resolution for all material related party transactions, even if such transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) Rs. 1,000 Crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

The Company proposes to enter into certain related party transaction(s) as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s) are expected to cross the applicable materiality thresholds as mentioned hereinabove. Accordingly, as per the SEBI Listing Regulations, approval of the Members is being sought for all such arrangements / transactions proposed to be undertaken by the Company. It is further proposed that the said contract(s)/ arrangement(s)/ transaction(s) shall be carried out at arm's length basis and in the ordinary course of business of the Company. Powermetz Energy Private Limited, a subsidiary Company operates its business of manufacturing of Batteries for Electronic Vehicles and other allied activities. On the other hand Mercury Ev-Tech limited a holding Company is engaged in, inter alia, in the business activities of Manufacturing Electric Vehicles, Spare Parts for Electric Vehicles.

Both the Companies acknowledge that the related party transactions, inter se, will help them to carry out their business operations in seamless manner. Group's exposure and in-depth reach to the customer base, helps Powermetz, and ultimately the Company, in achieving its business objective in an effective manner.

The Audit Committee has, on the basis of relevant details provided by the management, as required by the law, at its meeting held on Saturday, 31st December, 2022, reviewed and approved the said transaction(s), subject to approval of the Members, while noting that such transaction shall be on arms' length basis and in the ordinary course of business of the Company.

Secretarial Audit Report issued by M/s Vishwas Sharma & Associates, Company Secretaries in Form MR-3, attached and marked as Annexure "E", for the period under review forms part of this report.

The said report contains observation/Qualification which is mentioned as below:

Qualification	Explanation
The statutory Auditor Viz. M/s. Ambalal Patel & Co., Chartered Accountants has tendered their resignation on July 25, 2023 i.e. within 45 days from the end of the First Quarter of F.Y. 22-23 and has not issued the limited review report for the first quarter and therefore violated the terms of the para 6(A)(i) of SEBI Circular CIR/CFD/CMD1/114/2019 dated October 18, 2019.	The Board of Directors of the Company would like to clarify that after the takeover of the Company by New Management they shifted the RO from Ahmedabad to Vadodara and therefore, the Statutory Auditor of the Company has shown their inability to travel and devote their resources for Audit and hence resigned and not carried out the Limited Review Report for the First Quarter of the FY 22-23
The Company failed to submit consolidated financial result alongwith the outcome of board meeting required to be submitted under Regulation 30 of SEBI LODR Regulations within 30 minutes from the conclusion of the board meeting for the quarter ended on September 30, 2022.	The Board of Directors of the Company would like to Clarify that due to inadvertence and clerical error, the Company missed to attach consolidated Results. It is to be noted the mistake was inadvertent in nature and Company will be more cautious in future while complying applicable SEBI (LODR) Regulation 2015.
The Listed Entity has published Financial results for the quarter ended on September 30, 2022 after 48 hours of submission of financial results with the stock exchange hence in violation of Regulation 47(3) of SEBI (LODR) Regulations 2015.	The Board of Directors of the Company informed that the mistake was inadvertent in nature and Company will be more cautious in future while complying applicable SEBI (LODR) Regulation 2015
The Company had maintained the data in Excel format and therefore was tamperable in nature and hence in violation of compliance of Structured	The Board of Directors of the Company would like to clarify that initially the entries were maintained into Excel Format and to its non-tamperable

Digital Database (SDD) in terms of Regulation 3(5) and 3(6) of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (PIT Regulations).	nature, we strictly implemented the Password of File. The Company has installed SDD software which is non-tamperable.
The Company had received email from BSE limited on March 10, 2023 regarding trades undertaken by the Directors of the Company Viz. Darshankumar Jitendra Shah & Neha Ramprakash Kabra falls within trading window closure period which is in contravention of provisions of Para 4 of Schedule B, read with Regulation 9(1) and (2) of SEBI (PIT) Regulations 2015.	The Board would like to submit that the Company has sought clarification from Mr. Darshankumar Jitendra Shah and also issued a Warning letter to him, as the value of the transaction is very minimal. Further, the Company clarified to the BSE that Neha Ramprakash Kabra is not a promoter/ promoter group or also not relative of them and therefore is not designated person, hence regulation of trading window closure is not applicable to her.
The Company failed to file e-form SH-7 under Section 64 (1) of the Companies Act, 2013, e-form MGT-7 i.e. Annual Return under section 92 for the F.Y. 2021-22 and e-form DPT-3 pursuant to rule 16 of the Companies (Acceptance of Deposits) Rules, 2014 for the F.Y. 2022-23 within prescribed time.	The Board of Directors of the Company would like to clarify that the Company had filed the forms with additional fees due to technical glitch on MCA portal during the period.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

i. Industry Structure and Development

The Company is engaged in the business of Manufacturing and Trading of Electronic vehicles and other related renewable energy products.

The electric vehicle market was experiencing significant growth, driven by factors such as increasing environmental awareness, government incentives, technological advancements, and improvements in battery technology. As a result, established automakers and new entrants were investing heavily in EV development. Advances in battery technology were a critical driver for the development of electric vehicles. Improvements in energy density, charging speed, and cost reduction were key factors influencing the feasibility and widespread adoption of EVs. The environmental benefits of EVs, including reduced greenhouse gas emissions and lower air pollution in urban areas, were a driving force behind their development and adoption.

ii. Opportunities and Threats

Opportunities:

Environmental Concerns: Growing environmental awareness and the need to reduce carbon emissions present a significant opportunity for EV manufacturers. Consumers and governments are increasingly seeking cleaner transportation options.

Technological Advancements: Ongoing advancements in battery technology, materials science, and electric drivetrain systems provide opportunities to improve vehicle range, charging speed, and overall performance.

Government Incentives: Many governments offer incentives such as tax credits, rebates, and grants to promote EV adoption. These incentives help make EVs more affordable and attractive to consumers.

Infrastructure Development: The expansion of charging infrastructure offers opportunities for companies to invest in charging stations, both at homes and public locations, to alleviate "range anxiety" and accelerate EV adoption.

Innovation in Mobility Services: Electric and autonomous vehicles have the potential to revolutionize transportation services, such as ride-sharing and autonomous taxi fleets. Companies that tap into these new mobility models could find substantial opportunities.

Supply Chain and Manufacturing: The EV supply chain, including battery production and raw material sourcing, presents opportunities for innovation and efficiency improvements.

Diverse Vehicle Offerings: Electric powertrains can be adapted to various vehicle types, including cars, buses, trucks, and two-wheelers. This diversification offers opportunities for market expansion and addressing different customer needs.

Consumer Interest and Demand: As consumers become more interested in sustainability and advanced technology, the demand for EVs is likely to increase, providing growth opportunities for manufacturers.

Threats:

Charging Infrastructure Challenges: The lack of widespread and convenient charging infrastructure could hinder the adoption of EVs, leading to "range anxiety" and discouraging potential buyers.

Competition from Combustion Engine Vehicles: Traditional internal combustion engine vehicles still dominate the market. If EVs cannot compete in terms of price, performance, and convenience, their adoption may be limited.

Initial Cost: Despite government incentives, the initial purchase cost of EVs can still be higher than that of conventional vehicles. Price-sensitive consumers might be hesitant to make the switch.

Consumer Acceptance and Habits: Some consumers might be hesitant to switch to EVs due to concerns about vehicle range, charging times, and the unfamiliarity of electric technology.

Regulatory Uncertainty: Changes in government policies and regulations related to EV incentives, emissions standards, and manufacturing requirements could impact the industry's trajectory.

iii. Internal Control system and their adequacy

The Company has adequate system of internal control commensurate with its size and operations to ensure orderly and efficient conduct of the business. These controls ensure safeguard of assets, reduction and detection of frauds and error, adequacy and completeness of the accounting record and timely preparation of reliable financial information.

iv. Financial performance with respect to operational performance

The financial performance of the Company for the year 2022-23 is described in the Directors Report.

v. Environment, Social and Governance Aspect:

Company is aiming to create more than 1000 jobs and provide staff quarters at the facility with highest level of health and safety. A Green field project with focus on New Energy Technology products which are torch bearers of sustainability

Green Energy Initiative: Company is installing 1MW rooftop at manufacturing Plant to reduce the reliance on fossil fuels and reduce the cost of manufacturing. Management is dedicated to reduce carbon emissions and minimize the impact on environment.

Company is encouraging the processes that are Environment Friendly and Carbon Neutral. Effects are being made to become better Corporate Citizen by Respecting the Worth of Earth, Adopting Ethical Business Policies and Equitable Business practices.

50+ years of Combined experience in New Energy, Human Capital Management and Advance Engineering and sustainable Mobility is driving values and strategies at Mercury EV-Tech Limited for sustainable tomorrow. New Product Development teams are constantly focusing on Making E-Mobility affordable and sustainable with circular economy product designs and materials.

vi. Recent Trend and Future Outlook:

The sector in which the Company has been operating is developing faster and providing

ample growth opportunities.

The E2W industry saw and is seeing a positive sentiment and a high level of interest from the customers due to environment awareness; encouragement from the Government in terms of EV incentive policies & schemes; improved battery technology and growing charging facilities across the nation.

India saw a 132 per cent increase in electric two-wheeler sales in year 2021. Between January-December 2021, the electric two wheelers (E2W) industry, including high-speed (HS) and low-speed E2W, registered sales of 2,33,971 units against 1,00,736 sold in 2020. While as a segment, the Indian electric vehicle market was valued at USD 1,434.04 million in 2021, and expected to reach USD 15,397.19 million by 2027, registering a CAGR of 47.09% during the forecast period (2022-2027).

Infrastructure development for battery & vehicle manufacturing, charging infrastructure, and scrapping centres will definitely lead to growing EV market. In Electrotherm, the high-speed and low-speed electric two-wheelers will continue to contribute positively in net earnings of the Company. However, our focus shall continue to grow in High speed models of two wheelers segment with hundreds of thousands happy customers towards Government's mission Electric Vehicles 2025 onwards.

vii. Awards Achievements and Licenses:

• AIS- 156 Approval for Super Bike Battery:

Vadodara, 15th June, 2023: Mercury EV-Tech Limited (formerly known as Mercury Metals Limited) engaged in developing of innovative and advanced electric mobility solutions in India. Powermetz Energy Private Limited, a subsidiary of Mercury EV-Tech Limited has received India's first AIS 156 Phase-II Certification for Battery Pack used in Ultra High-Speed 2-Wheeler (2W) bikes coupled with Battery Management System (BMS) from Reliance Jio certified with our battery pack with contractor based high discharge technology.

Mercury EV-Tech Limited through its 80% owned subsidiary Powermetz Energy Private Limited has received India's First AIS-156 Phase-II Certification for the battery pack to be used in Ultra High-Speed 2W bikes coupled with Battery Management System (BMS) from Reliance Jio certified with our battery pack with contractor based high discharge technology.

This certification is a testament to the Company's capability to develop Lithium-Ion Phosphate (LiFePo₄) battery packs for Ultra High-Speed 2W bikes with a capacity of 54 Ah that meets global standard for safety and performance mandated by Ministry of Road Transport and Highways and issued by Automotive Research Association of India (ARAI).

The Battery Pack will be used for captive consumption as well as to supply to other OEMs in the market, showcasing our ability to deliver cutting-edge electric mobility solutions in evolving EV market.

• WMI Code:

WMI registration is an abbreviation for World Manufacturer Identification Registration. This form of registration follows the international standards of registration when it comes to identifying the quality aspects related to vehicle manufacturers around the world.

WMI registration is mandatory for all form of automotive manufacturers in India. The registration is compulsory, as it is mandatory to understand the country of manufacture for a

particular automobile. The Company via letter received WMI Certificate on 3rd February 2023; there are different forms of benefits of WMI registration in India.

The following are enumerated below:

Quality Standards

By securing this registration, the automobile manufacturer can rely on standards related to quality produce. Another added benefit of this form of registration is adherence to the standards defined by the SAE. The BIS in India is a part of the International Standards of Organisation (ISO). Hence adhering to quality would be achieved by taking this form of registration.

Compliance with International Norms

WMI registration is an international registration and compliance under the SAE. The main regulatory body in India is the BIS. This body liaises with the SAE when it comes to issuing the WMI code for vehicles produced in India. By adhering to the norms of the BIS, a company or automobile manufacturer will be complying with international standards.

Recognition

WMI registration would indicate where the manufacturer is from. Apart from this WMI number or code forms the first part of the VIN. The first three numbers distinguish the car manufacturer from other manufacturers in the world. Apart from this, the first number indicates the region where manufacturing occurs. This will distinguish the car manufacturer from other manufacturers.

Apart from being mandatory, WMI registration would provide the above benefits to car manufacturers around the world.

• 2W High Speed (EEC Model) :

INDEPENDENT AUDITOR'S REPORT

To the Members of Mercury EV Tech Limited (Formerly known as Mercury Metal Limited)
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Mercury EV Tech Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statement gives the information required by the Companies Act, 2013 (the "Act") in the manner so required and give true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance,

but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mercury EV Tech Limited (formerly known as Mercury EV Tech Limited) of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1(a)(A)	The Company has maintained proper records showing full particulars including quantitative details and situation of the property, plant and equipment;
1(a)(B)	The Company has maintained proper records showing full particulars of Intangible Assets;
1(b)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, plant and equipment by which all Property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain Property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification;
1(c)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company;
1(d)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year;
1(e)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder;
2(a)	The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory;
2(b)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits from banks on the basis of security of current assets hence the requirements of paragraph 3(ii)(b) of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company.
3	The Company has granted unsecured loans to other parties, during the year, in respect of which:
(A)	During the year the Company has provided loans and stood guarantee to the companies as follows: Rs. In Lacs

	Guarantees	Security	Loans	Advances in nature of loans

Balance outstanding as at balance sheet date in respect of above cases				
Subsidiaries	Nil	Nil	2984.67	Nil
Others	Nil	Nil	185.00	Nil
	Based on our verification of the documents provided to us and according to the information and explanations given by the Management, Company has not made investments in mutual funds.			
(B)	The terms and conditions of the loans, including repayment thereof have not been stipulated. Accordingly, we are unable to comment on clause 3 (c) of the Order regarding regularity of the receipt of principal amount and interest and Clause 3 (c) of the Order regarding steps for recovery of overdue amount of more than rupees one lakh.			
(C)	In respect of the aforesaid loan, there is no amount which is overdue for more than ninety days;			
(D)	No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties;			
(E)	The Company has granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.			
(F)	Other than that mentioned above, the company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnership or any other parties;			
4	In our opinion and according to the information and explanations given to us and based on the audit procedures performed, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made. According to information and explanation given to us, the Company has not granted any loans or provided guarantees or securities that are covered under the provisions of sections 185 of the Companies Act, 2013.;			
5	The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.;			
6	Having regard to the nature of the Company's business / activities, reporting under clause (vi) of the Order with regard to cost records is not applicable.;			
7(a)	The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. 7(b)	According to the records of the company examined by us and information and explanations given by the management, there are no statutory dues of referred in sub-clause (a) that has not been deposited on account of disputes;			

8	There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year, Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.;
9(a)	The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.;
9(b)	The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority;
9(c)	Term loans were applied for the purpose for which the loans were obtained.;
9(d)	On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company;
9(e)	On an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures..
9(f)	The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
10(a)	The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable;
10(b)	The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the preferential allotment or private placement of shares during the year. The funds raised, have been used for the purposes for which the funds were raised. The Company has not issued any debentures during the year.
11(a)	Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.;
11(b)	According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government;
11(c)	As represented to us by the management, there are no whistle blower complaints received by the company during the year.
12	The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.
13	Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone Ind AS financial statements, as required by the applicable accounting standards.;
14(a)	In our opinion and based on our examination, the company does not have an internal audit system however company is required to have an internal audit system as per provisions of the section 138 of the Companies Act 2013.
15	The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.;
16(a)	The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.;

**MERCURY EV TECH LIMITED (FORMERLY KNOWN AS MERCURY METAL LIMITED)
NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR
ENDED 31ST MARCH 2023**

NOTE: 1**1.1 CORPORATE INFORMATION**

Mercury Ev Tech Limited (Formerly known as Mercury Metal Limited) is Public Limited Company incorporated in India under the provisions of the Companies Act. The Company's strength lies in the Manufacturing and trading of Electronic Vehicles, related auto parts and accessories and other renewable energies related materials.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2023 and authorized for issue on May 26th, 2023.

Significant Accounting policies followed by the Company.

1.2 BASIS OF PREPARATION**i. Compliance with Ind AS**

The financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act, 2013 ("the Act"), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act as applicable.

The accounting policies are applied consistently to all the periods presented in the financial statements.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value;
- Assets held for sale – measured at lower of carrying amount or fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value.

iii. Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

iv. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency.

v. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.3 SIGNIFICANT ACCOUNTING POLICIES

A. Property, Plant and Equipment:

i. Recognition and measurement

Freehold land is carried at cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

Capital work in progress is stated at cost and includes the cost of the assets that are not ready for their intended use at the Balance Sheet date.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost (except to the extent of any adjustment permissible under other accounting standard) of the property, plant and equipment.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation on tangible fixed assets is provided in accordance with the provisions of Schedule II of the Companies Act 2013. Depreciation on additions / deductions is calculated on pro rata basis from/up to the month of additions/deductions. The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

B. Intangible Assets:

i. Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

C. Impairment:

i. Non - financial assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

D. Inventories:

i. Finished and Semi-Finished Products produced and purchased by the company are carried at Cost and net realizable value, whichever is lower.

ii. Work in Progress is carried at lower of cost and net realizable value.

iii. Raw Material is carried at lower of cost and net realizable value.

iv. Stores and Spares parts are carried at cost. Necessary provision is made and expensed in case of identified obsolete and nonmoving items.

Cost of Inventory is generally ascertained on the 'Weighted average' basis. Work in progress, Finished and semi-finished products are valued at on full absorption cost basis.

Cost Comprises expenditure incurred in the normal course of business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activity. Packing Material is considered as finished goods. Consumable stores are written off in the year of Purchase.

E. Foreign Currency Transactions

Transactions in Foreign Currency and Non-Monetary Assets are accounted for at the Exchange Rate prevailing on the date of the transaction. All monetary items denominated in Foreign Currency are converted at the Year-End Exchange Rate. The Exchange Differences arising on such conversion and on settlement of the transactions are recognized as income or as expenses in the year in which they arise.

F. Investments and Other Financial Assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the

financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.
- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Derecognition

A financial asset is derecognized only when

(a) The Company has transferred the rights to receive cash flows from the financial asset or

(b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

G. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

H. Financial Liabilities:

Measurement

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process.

I. Revenue recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods. Revenue is recognisable to the extent of the amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes).

J. Other Income:

Other income is comprised primarily of interest income, dividend income, gain/loss on investments and exchange gain/loss on forward and options contracts and on translation of other assets and liabilities. Interest income is recognized using the effective interest method. Claims for export incentives/ duty drawbacks, duty refunds and insurance are accounted when the right to receive payment is established. Dividend Income is recognized when the right to receive dividend is established.

K. Employee benefits:

A. Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages,

performance incentives, etc. are recognized at actual amounts due in the period in which the employee renders the related service.

B. Contribution towards defined benefit contribution Schemes Gratuity plan

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is eligible for gratuity on post-employment at 15 days salary (last drawn salary) for each completed year of service as per the rules of the Company. The aforesaid liability is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of the financial year. Current service cost, Past-service costs are recognized immediately in Statement of profit or loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Re measurements are not reclassified to profit or loss in subsequent periods.

L. Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

M. Taxes on Income:

Income Tax expense comprises of current and deferred tax. Income Tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

(i) Current Tax

Current Tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (tax loss) for a period. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date

Current tax assets and liabilities are offset if, and only if, the Company:

- a) has a legally enforceable right to set off the recognized amounts; and
- b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer

probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves. Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

N. Provisions and Contingencies:

- a) Provisions are recognized based on the best estimate of probable outflow of resources which would be required to settle obligations arising out of past events.
- b) Contingent liabilities not provided for as per (a) above are disclosed in notes forming part of the Financial Statements. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent Assets are disclosed, where the inflow of economic benefits is probable.

O. Earnings per Share:

- a) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

P. Leases:

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

(A) Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement**(A) Lease Liability**

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever, the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

Q. Exceptional items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2. USE OF JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

While preparing financial statements in conformity with Ind AS, the management has made certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on the management estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecasted and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Judgment, estimates and assumptions are required in particular for:

a) Determination of the estimated useful life of tangible assets

Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

b) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations. Due to complexities involved in the valuation and its long-term nature, defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting period.

c) Recognition of deferred tax liabilities

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carryforwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

d) Discounting of financial assets / liabilities

All financial assets / liabilities are required to be measured at fair value on initial recognition. In case of financial assets / liabilities which are required to be subsequently measured at amortized cost, interest is accrued using the effective interest method.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis.

All of the resulting fair value estimates are included in level 1 or 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counter party or own credit risk.

The carrying amounts of trade receivables, electricity deposit, employee advances, cash and cash equivalents and other short term receivables, trade payables, unclaimed dividend, borrowings, and other

current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

36 FINANCIAL RISK MANAGEMENT

The company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company, through its training, standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

(i) Trade receivables

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. However, based on historical data, there were no significant bad debts written off nor provision for doubtful debts had been created. In determination of allowances for credit losses on trade receivables, the Company has used a practical expedience by computing the expected credit losses based on ageing matrix, which has taken into account historical credit loss experience and adjusted for forward looking information.

(ii) Cash and cash equivalents

As at the year end, the Company held cash and cash equivalents of 897.5295 Lacs . The cash and cash equivalents are held with bank and financial institution counterparties with good credit rating.

(iii) Loans and advances

In the case of loans to employees, the same is managed by establishing limits. (Which in turn based on the employees salaries and number of years of service put in by the concern employee)

(iv) Other Financials Assets

Others Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for: The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are not exposed to market risk primarily related to foreign exchange rate risk.

(D) CAPITAL MANAGEMENT

For the purpose of Company's Capital Management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the Company. The Company manages its capital to optimise returns to the share holders and make adjustments to it in light of changes in economic conditions or its business requirements. The Company's objective is to safe guard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to share holders through continuing growth and maximise the shareholders value. The Company funds its operations through internal accruals and long term borrowings competitive rate. The Management and Board of Directors monitor the return of capital as well as the level of dividend to share holders.

37 Employee benefits**[a] Defined benefit plan:**

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded. The following tables summaries the components of net benefit expense recognized in the Statement of profit and loss and the funded status and amounts recognized in the balance sheet for the gratuity plan.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mercury EV Tech Limited (Formerly known as Mercury Metal Limited)
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Mercury EV Tech Limited ("the Holding Company") and its subsidiary (the holding Company and its subsidiary collectively referred to as "the Group), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditors on separate financial statements of the subsidiary as were audited by other auditors, referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements gives the information required by the Companies Act, 2013 as amended (the "Act") in the manner so required and give true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023 and its consolidated profit, consolidated total comprehensive income, the consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as

a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the Subsidiary audited by the other auditors, to the extent it relates to the Subsidiary and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the Subsidiary is traced from the financial statements audited by the other auditors. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss (financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, amended.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Director of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and

performance of the audit of the financial statements of such entity included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further prescribed in section titled 'Other Matters' to this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and the financial information of the Subsidiary incorporated in India, whose financial statements and financial information reflect total assets (before consolidation adjustments) of INR 3379.13 Lakhs as at March 31, 2023, total revenues (before consolidation adjustments) of INR 268.06 Lakhs and total net profit after tax of INR 51.36 Lakhs for the year ended on that date, as considered in preparation of consolidated financial statements. The financial statements and the financial information of the Subsidiary have been prepared in accordance with accounting principles generally accepted in India.

These financial statements and financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosure included in respect of Subsidiary, is based on solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to

our reliance on the work done and the reports of the other auditors and the financial statements and financial information certified by the management of the Holding Company.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in clause (xxi) of paragraph and paragraph 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us and the auditors of respective companies included in the consolidated financial statements of the company, to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks in these CARO reports of the said respective companies included in the consolidated financial statement.

2. (A) As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
 - (e) On the basis of written representations received from the directors of the Holding Company and its subsidiary incorporated in India as on 31st March 2023 taken on record by the Board of Directors, none of the directors of the Holding Company and its subsidiary incorporated in India, are disqualified as on 31st March 2023 from being appointed as a director of the respective company in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 read with Schedule V of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and as reported by the auditors of the Subsidiary:

- a) The consolidated financial statements disclosed the impact of pending litigations on its consolidated financial position of the Group,
- b) The Group did not have any long term contracts including derivative contracts for which there were material foreseeable losses as required under the applicable law or accounting standards,
- c) There has not been any amount which is required to be transferred to the Investor Education and Protection Fund by the Holding Company during the year ended 31st March 2023.
- d) (i) The respective Managements of the Holding Company, and its subsidiary incorporated in India, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or such subsidiary to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The respective Managements of the Holding Company, and its subsidiary incorporated in India, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or such subsidiary from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.

e) The Company has not declared dividend or paid during the year by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mercury EV- Tech Limited (Formerly known as Mercury Metal Limited) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2023, we have audited the internal financial controls with reference to the financial statement of Mercury EV Tech Limited ("the Holding Company") as of March 31, 2023 and its subsidiary incorporated in India (the Holding Company and its subsidiary incorporated in India together referred as "the covered entities") as at 31st March 2023.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Covered Entities, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the respective companies, reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Covered Entities, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the associates, which are incorporated in India, in terms of their reports referred to in the Other Matter section below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Covered Entities.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Covered Entities, have, in all material respects, an adequate internal financial controls with reference to the consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the internal controls over financial reporting criteria established by the respective companies, considering the essential components of internal control stated in the Guidance Note.

Other Matters

Our aforesaid report under Section 143(3)(I) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to its subsidiary, which are incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

MERCURY EV TECH LIMITED (FORMERLY KNOWN AS MERCURY METAL LIMITED)
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST
MARCH 2023

NOTE: 1**1.1 CORPORATE INFORMATION**

Mercury EV Tech Limited (Formerly known as Mercury Metal Limited) is Public Limited Company incorporated in India under the provisions of the Companies Act. The Company's strength lies in the Manufacturing and trading of Electronic Vehicles, related auto parts and accessories and other renewable energies related materials.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2023 and authorized for issue on May 26th, 2023.

Significant Accounting policies followed by the Company.

1.2 CONSOLIDATION

- i. The consolidated financial statements comprise the financial statements of Mercury EV Tech Limited (herein after referred to as 'the Holding Company') and its subsidiary company, hereinafter collectively referred to as 'Group'.
- ii. Details of the Subsidiary company considered in the Consolidated Financial Statements are as under:

Sr No	Name of the Company	Subsidiary/ Associate / Joint Venture	% of Share Holding
1	Power Metz Energy Private Limited	Subsidiary	80%
2	EV Nest Private Limited	Subsidiary	100%

1.3 BASIS OF PREPARATION

- i. Compliance with Ind AS
 The financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act, 2013 ("the Act"), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act as applicable.
 The accounting policies are applied consistently to all the periods presented in the financial statements.
- ii. Historical cost convention
 The financial statements have been prepared on a historical cost basis, except the following:
 - Certain financial assets and liabilities that are measured at fair value;
 - Assets held for sale – measured at lower of carrying amount or fair value less cost to sell;
 - Defined benefit plans – plan assets measured at fair value.

- iii. Current and non-current classification
All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.
- iv. Functional and presentation currency
These financial statements are presented in Indian Rupees, which is the Company's functional currency.
- v. Rounding of amounts
All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.4 SIGNIFICANT ACCOUNTING POLICIES

A. Property, Plant and Equipment:

i. Recognition and measurement

Freehold land is carried at cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost (except to the extent of any adjustment permissible under other accounting standard) of the property, plant and equipment.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation on tangible fixed assets is provided in accordance with the provisions of Schedule II of the Companies Act 2013. Depreciation on additions / deductions is calculated on pro rata basis from/up to the month of additions/deductions. The estimated useful life, residual values and depreciation method are reviewed ~~166~~the

end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

B. Intangible Assets:

- i. Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment, if any.

C. Impairment:

i. Non - financial assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

D. Inventories:

- i. Finished and Semi-Finished Products produced and purchased by the company are carried at Cost and net realizable value, whichever is lower.
- ii. Work in Progress is carried at lower of cost and net realizable value.
- iii. Raw Material is carried at lower of cost and net realizable value.
- iv. Stores and Spares parts are carried at cost. Necessary provision is made and expensed in case of identified obsolete and nonmoving items.

Cost of Inventory is generally ascertained on the 'Weighted average' basis. Work in progress, Finished and semi-finished products are valued at on full absorption cost basis.

Cost Comprises expenditure incurred in the normal course of business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activity. Packing Material is considered as finished goods. Consumable stores are written off in the year of Purchase.

E. Foreign Currency Transactions

Transactions in Foreign Currency and Non-Monetary Assets are accounted for at the Exchange Rate prevailing on the date of the transaction. All monetary items denominated in Foreign Currency are converted at the Year-End Exchange Rate. The Exchange Differences arising on such conversion and on settlement of the transactions are recognized as income or as expenses in the year in which they arise.

F. Investments and Other Financial Assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.
- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Derecognition

A financial asset is derecognized only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

G. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

H. Financial Liabilities:

Measurement

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings and derivative financial instruments.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process.

I. Revenue recognition:

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods. Revenue is recognizable to the extent of the amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes).

J. Other Income:

Other income is comprised primarily of interest income, dividend income, gain/loss on investments and exchange gain/loss on forward and options contracts and on translation of other assets and liabilities. Interest income is recognized using the effective interest method. Claims for export incentives/ duty drawbacks, duty refunds and insurance are accounted when the right to receive payment is established. Dividend Income is recognized when the right to receive dividend is established.

K. Employee benefits:

A. Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, performance incentives, etc. are recognized at actual amounts due in the period in which the employee renders the related service.

B. Contribution towards defined benefit contribution Schemes

Gratuity plan

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is eligible for gratuity on post-employment at 15 days' salary (last drawn salary) for each completed year of service as per the rules of the Company. The aforesaid liability is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of the financial year. Current service cost, Past-service costs are recognized immediately in Statement of profit or loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Re measurements are not reclassified to profit or loss in subsequent periods.

L. Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

M. Taxes on Income:

Income Tax expense comprises of current and deferred tax. Income Tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

(i) Current Tax

Current Tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (tax loss) for a period. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date

Current tax assets and liabilities are offset if, and only if, the Company:

- a) has a legally enforceable right to set off the recognized amounts; and
- b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves. Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

N. Provisions and Contingencies:

- a) Provisions are recognized based on the best estimate of probable outflow of resources which would be required to settle obligations arising out of past events.
- b) Contingent liabilities not provided for as per (a) above are disclosed in notes forming part of the Financial Statements. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c) Contingent Assets are disclosed, where the inflow of economic benefits is probable.

O. Earnings per Share:

- a) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

P. Leases:

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

(A) Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement

(A) Lease Liability

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) Re-measuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognize the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever, the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognized in the statement of profit and loss on straight line basis over the lease term.

Transition to Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards)

Second Amendment Rules has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning 1st April, 2019 and applied the standard prospectively to its leases. Lease in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases.

Q. Exceptional items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2. USE OF JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

While preparing financial statements in conformity with Ind AS, the management has made certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on the management estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecasted and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Judgment, estimates and assumptions are required in particular for:

a) Determination of the estimated useful life of tangible assets

Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

b) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations. Due to complexities involved in the valuation and its long-term nature, defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting period.

c) Recognition of deferred tax liabilities

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carryforwards and tax credits. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

d) Discounting of financial assets / liabilities

All financial assets / liabilities are required to be measured at fair value on initial recognition. In case of financial assets / liabilities which are required to be subsequently measured at amortized cost, interest is accrued using the effective interest method.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis.

All of the resulting fair value estimates are included in level 1 or 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counter party or own credit risk.

The carrying amounts of trade receivables, electricity deposit, employee advances, cash and cash equivalents and other short term receivables, trade payables, unclaimed dividend, borrowings, and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

35 FINANCIAL RISK MANAGEMENT

The company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company, through its training, standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

(i) Trade receivables

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. However, based on historical data, there were no significant bad debts written off nor provision for doubtful debts had been created. Further there is no Trade Receivables outstanding for more than 6 months at reporting date. Hence, allowances for doubtful debt has not been created.

(ii) Cash and cash equivalents

As at the year end, the Company held cash and cash equivalents of 907.82 Lacs (31.03.2022 75.08 Lakhs). The cash and cash equivalents are held with bank and financial institution counterparties with good credit rating.

(iii) Loans and advances

In the case of loans to employees, the same is managed by establishing limits. (Which in turn based on the employees salaries and number of years of service put in by the concern employee)

(iv) Other Financial Assets

Others Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are not exposed to market risk primarily related to foreign exchange rate risk.

(D) CAPITAL MANAGEMENT

For the purpose of Company's Capital Management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the Company. The Company manages its capital to optimise returns to the share holders and make adjustments to it in light of changes in economic conditions or its business requirements. The Company's objective is to safe guard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to share holders through continuing growth and maximise the shareholders value. The Company funds its operations through internal accruals and long term borrowings competitive rate. The Management and Board of Directors monitor the return of capital as well as the level of dividend to share holders.

36 Employee benefits**[a] Defined benefit plan:**

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded. The following tables summaries the components of net benefit expense recognized in the Statement of profit and loss and the funded status and amounts recognized in the balance sheet for the gratuity plan.
